

State Will Consider Our Annual 'Christmas for Weimar' Begins Today

Acalanes Protest Of Loyalty Oath

The 31 Acalanes High School members of the California Teachers Association and the National Education Association who recently protested the new state-required loyalty oath have been informed that their protest will come before the Rules Committee of the State Senate in January.

Lieutenant-Governor Knight, in a letter to the group, dated November 1, stated that the protest letter, which the 31 signed after all 53 faculty members had signed the loyalty oath, had been transmitted to the secretary of the State Senate and that the matter would be brought to the attention of the Rules Committee in January, when the Legislature convenes.

Principal Neil M. Parsons of Acalanes stated this week, that, although he had known that some faculty members were discussing objections to the oath prior to the oath-signing last month, he had not attended a meeting on the subject.

That meeting, he stated, was not an official faculty meeting. "Something was said to me that a meeting to discuss the loyalty oath was going to be held, but I said I was not interested in discussing it," he recalled.

Asked Sunday night if he cared to express his opinion on the protest, Parsons said he would not. He said he had "talked to a few people" about it but did not wish to make any public statement on the matter.

TENURE NOT DISCUSSED

The principal was asked if the signing of the protest would, to his knowledge, affect the tenure of teachers when teaching contracts come up toward the end of this school year.

"I have no opinion on that," he replied. "That hasn't been discussed."

(In order to obtain tenure, or permanence of employment, a teacher must have been at the school three consecutive years during which the average daily attendance is at least 850. This is the third consecutive school year at Acalanes in which that attendance mark has been reached or exceeded. Therefore next May will be the first time at Acalanes that any teachers will be eligible for tenure).

OATH SIGNED BY ALL

The loyalty oath was signed by all faculty members Monday, October 16, in the high school library, with Carl Newbury, clerk of the high school district board, witnessing the signatures.

During the week prior to that, a number of teachers had discussed the matter of the oath. Two informal meetings were held — one in the school library Friday, October 13, and another at the Acalanes Avenue home of Miss Margaret Nicholson, chemistry teacher, Sunday, October 15. All faculty members were invited to these gatherings, according to a statement from the faculty group.

STATEMENT DRAWN UP

At the second informal meeting a tentative protest statement was drawn up. Copies of it were given to all faculty members the next morning, with the request that suggestions be made.

That afternoon (Monday, October 16), the protest statement was rewritten and distributed, and a copy of the revised version was in the school library when the loyalty oath was being signed. Some signed the protest in the school library, while others signed later that week.

Objecting to the loyalty oath in principle, the protest statement was sent to Governor Earl Warren, the presiding officers of both the State Senate and the Assembly, and the state and bay sections executive boards of the California Teachers Association.

The reply from Lieutenant-Governor Knight was in his capacity as presiding officer of the Senate.

FROM WARREN'S OFFICE

A reply from Governor Warren's office, signed by Beach Vasey, legislative secretary, and dated October 30, acknowledged receipt of the protest and enclosed a copy of the governor's address to both houses of the Legislature September 20, in which Warren stated his belief that the oath should be required of all civil defense workers and public employees.

The protest letter emphasized, "This statement is in no way criticism of our local school administration and community."

Orinda Highlands Potluck Nov. 29th

Orinda Highlands Association will hold a potluck supper and evening of folk dancing next Wednesday, 7:30 p.m., in the Baptist Lodge at the end of El Rincon.

HOME DEPT. MEETING

Orinda Home Department will meet Wednesday, November 29, 10 a.m., at the home of Mrs. Benjamin Curant, 224 La Espiral. Mrs. E. T. Gregory will speak on "Holiday Foods with a Foreign Flavor."

PURCHASE HOME

Now residing in Orinda are Mr. and Mrs. Howard Turner who have purchased the Russell Butler house on Overhill Road.

El Toyonal Still Held Unsafe for School Bus Run

Despite improvements effected during the past several weeks by the County Road Department, the upper stretch of El Toyonal is still considered unsafe for resumption of school bus service, according to Mickey Dukich, supervisor of transportation for the Acalanes High School District.

Dukich gave this opinion at last Wednesday night's meeting of the Joint Transportation Committee at Acalanes High School.

One of the bad spots he mentioned is about two-tenths of a mile above Loma Vista, where rain has been washing the bank away and where, early in the school year, a road shoulder had started to give way when an Orinda School bus was traversing the place.

Following the Transportation Committee session, M. W. Loveland and Avon Brown of the Orinda Highlands Association, who attended the meeting, looked for a "washout" spot with the aid of a flashlight. Loveland later said they were unable to find it.

Also at the meeting was Ritchie Smith, representative of the Orinda School Board on the committee.

El Toyonal school bus service was discontinued October 17 because the road was judged unsafe. The service had been in operation a little over a month, following long efforts by residents to obtain it and after previous repairs had been made by the county.

Since the discontinuance, the county has installed three or four concrete catch basins at culverts, Dukich reported, and steel grill gratings over culverts. In addition, it has placed warning signs and white markers.

"However, there are still a few bad spots," Dukich observed this week. "When the road is considered safe, bus service will be resumed. It's hard to say when that will be, with all the rainfall now."

Road Problems Discussed by Civic Affairs

Nobody sang "The Road to Mandalay" at Monday night's meeting of the Civic Affairs Committee of the Orinda Association but there was considerable talk about roads.

The discussion branched into: 1.—Decision to recommend to the association's Board of Directors to ask Jack Cummings, supervisor from this district and chairman of the Board of Supervisors, when the county plans to widen and repair Moraga Highway beyond the business district, going south toward Moraga.

TO SURVEY ROADS

2.—Naming of a committee consisting of Zach Montgomery, chairman; Bob Anthonisen and Bob Clough, to survey all local county roads, to enable the association ask the county to repair all roads that need work done on them. The three will try to get others to work with them on this project.

3.—Horace Breed told of the new area-wide traffic committee being formed by the Lafayette Improvement Association in cooperation with other groups. Breed attended the first organizational meeting recently at the home of Sumner McAllister in Lafayette. As the Civic Affairs representative on this new group, he will keep the Orinda committee informed of developments.

15 DESPITE RAIN

Other business at the meeting, which was attended by 15 persons despite the rain, included:

Announcement by Chairman Bob Clough that he has named Mrs. Robert Winters and Mrs. K. Morrish to the nominating committee which will nominate candidates to fill the terms of four association directors whose terms are expiring this year. These four are Mrs. Roberta Spiegel, Wayne Littlejohn, Bob Spott and Andy Blalock.

On motion of Breed, a request that the association board write the Contra Costa Patrol relative to a reported change in its ownership, in an effort to learn whether this means a change in its service.

"Christmas for Weimar" will be an established fact again this year, with the SUN again cooperating with women of the community in sponsoring this annual Christmas cheer-up drive.

Indications are that the public will again give generous support to the project, so that young patients at Weimar Sanitarium will know there really is a Santa Claus. Lafayette and Orinda women have already started their "Christmas for Weimar" plans rolling.

STOCKINGS AND GIFTS

Plans to provide a Christmas stocking and a personal gift for each of the 70 boy and girl patients at Weimar, from six months to 20 years of age, are well under way, according to Mrs. George Matey

and Mrs. George Vurek, who are leading the Orinda program once more for its second year.

In Lafayette, youngsters who visit the Sugar Plum House during the community Christmas Carnival have been asked by the women of the Lafayette Forum to remember the kids who must spend their Yuletide at the sanitarium and to bring some repairable (or new) toy to Santa, for delivery to Weimar. The Lafayette Forum will staff the Sugar Plum House.

HELPING HANDS

Boy and Girl Scouts of both Lafayette and Orinda, as well as many other persons, are lending helping hands in making this another Christmas to remember for the young people at Weimar. The Boy Scouts and Girl Scouts are gathering

used toys that can be repaired for gifts.

Brownie Troop 58 is completing

its Christmas project of making Christmas stockings which will be filled with good things to eat and small gifts.

Two dessert-bridge parties have already been held by Orinda women to raise funds for "Christmas at Weimar." A turkey donated by Frank Black of Black's Market augmented the money-raising program.

Donations of money for this worthwhile project will be very welcome to the committee in charge in Orinda, according to Mrs. Matey.

"There are so many extras: material for the stockings, gifts for the older children who are too big for toys, the stationery, stamps, soap,

toothpaste that are so welcome to those 12 and older — any money donated will help to do so much good," she points out.

BIRTHDAYS

Following the success of "Christmas for Weimar" last year, a program of remembering birthdays of the sick youngsters has been followed all through this year, Mrs. Matey said. If there are any toys left after the Christmas project this year, they will be reserved for these birthday remembrances.

Those wishing to help out in this Christmas remembrance program may either donate items for gifts or aid financially by sending a check to Mrs. George Matey, 7 Las Mesa, Orinda, or to the "Christmas for Weimar" Fund, care of the SUN.

ORINDA SUN

VOL. VIII, NO. 37

LAFAYETTE — ORINDA, CALIFORNIA — WEDNESDAY, NOVEMBER 22, 1950

TEN CENTS

ORINDA BOY SCOUTS are uniting to put on a humdinger of a show this Friday night, November 24, at Orinda Grammar School auditorium. Proceeds will be used for improvements to the Scout Hut at Orinda Park Pool. The hut is used as headquarters for Troops 200 and 207 and Explorer Post 300, all three of which will jointly present the entertainment. Top picture shows members of Troop 200 rehearsing for their magic act, which, with quartet singing, will form their portion of the program. Left to right are Harry Noller, Ben Coombs, Jeff Nicklas, Coach Jerry Embree, Bob Long, Bob Johnson and Woody Houter. Scout John Hall is missing from the picture. At bottom are three members of Troop 207 tooting their own horns in preparation for their musical number. Left to right are Dave Oakley, Dick Doty and Billy Ellermeyer. — SUN photos; magicians by Tom Martin, musicians by Mattson

Church Unit's Ground-Breaking Set for Nov. 26

Ground-breaking ceremonies for the Orinda Community Church chapel and classroom unit will be held Sunday, November 26, at 11 a.m., according to announcement of the Board of Trustees.

Ralph H. Phelps, moderator of the congregation, will serve as chairman for exercises to be held on the site following a half-hour worship service in the present sanctuary.

Representatives of the various church boards, the architects and the contractor will speak briefly, after which all organizations will take part in the turning of ground for the new building.

The contract includes remodeling of the present church hall and addition of a kitchen, to transform the building into a parish hall better adapted for church and community purposes. Cost of the finished work will be about \$75,000.

When completed, the new unit will provide a suitable chapel for church worship and Christian education assembly, with six classrooms and a spacious foyer adapted for use either apart from or as part of the chapel.

Unfinished space on the lower floor will be complete with doors and windows in readiness for future development of six additional rooms. The present children's unit is to be devoted entirely to pre-school groups.

M. V. Bernard is the contractor. Architects are Ratcliff, Haymond and Ratcliff. Chairman of the building committee and largely responsible for this development is Leo Alexander. Members of the Board of Trustees are B. O. Wilson, chairman, D. P. Krotz, Mrs. Ernest Drews, Stanley M. Hudd, Arthur Henry and R. C. Hall. Rev. Fred Morrow is the minister.

Sanitary Board Plans Mass Meeting For Residents of Sleepy Hollow Area

Before proceeding with installation of sewers in the proposed Local Improvement District 22, which is largely comprised of the Sleepy Hollow area, Central Contra Costa Sanitary District board of directors plans to hold a mass meeting for residents of that vicinity.

An explanation of the project, estimated costs and wishes of the majority of the residents in regard to starting proceedings in their area now are points to be brought out at the special meeting.

TO MAIL CARDS

Cards are being prepared for mailing to residents of the proposed L.I.D. No. 22, inviting them to a mass meeting planned for Orinda School within the next two weeks. Two directors, Elliot Johnson and Col. H. M. Smitten, said at last week's board meeting that they didn't want the board to be giving the impression of "showing sewers down the people's throats" whether they want them or not.

MASON ASKS SEWERS

District Engineer John L. Mason urged that sewer installation work be ordered immediately, declaring that "45 per cent of the existing

to the surface of the ground in Sleepy Hollow area."

Dr. Henrik Blum, county health officer, is being asked to address the session. Sanitary district officials are also expected to speak at the gathering.

A lack of enthusiasm toward immediate start of sewer work in the proposed L.I.D. No. 23, northeast of Cascade Lake, has been evidenced through a previous postcard survey. Board members said decision on the project would be held in abeyance until after the mass meeting on the Sleepy Hollow-Miner Road area.

Membership Drive Extended Here

So encouraging has the response been to the Orinda Association's membership drive that the drive has been extended through this week, at least.

The encouraging reports and the decision to extend were made at Monday night's meeting of the association's Civic Affairs Committee, at Orinda Grammar School. The committee is conducting an intensive telephone campaign.

Mrs. Helen Vurek, general chairman of the drive, and Harold Rote, who with Bob Clough is co-chairman of the telephone committee, reported that about 80 per cent of the persons contacted had either joined the association or had indicated they would join.

The campaign is for membership through 1951, on the basis of \$2 dues per family for the entire period.

Orindans Believe In Signs—Also Talk About Them!

That old gag, "I don't believe in signs," would have been out of place at the meeting of the Orinda Association's Civic Affairs Committee Monday night at Orinda Grammar School.

Signs for Orinda roads occupied a major portion of the session's attention.

Chairman Bob Clough reported that the association had received a letter from County Road Commissioner Joseph Barkley that the county supplied signs for county roads only. This was in response to association efforts to learn the score on this.

WHAT THEY'RE DOING

Various members of the Civic Affairs Committee then told of what their neighborhoods and their organizations were doing in connection with signs.

Joseph D. Nicolet, representing the Sleepy Hollow Improvement Association on the Civic Affairs Committee, said the Sleepy Hollowians were having signs made of redwood, to be painted in white, with glass beads to reflect the light.

Frank Gayting, Glorietta Improvement Association, said his group is planning white metal signs with black letters.

Mrs. Carl Drews, Orinda Community Church, stated that Rev. Fred Morrow of the church wished someone from the association to work with the church in determining the best spot for the church road sign at Irvine Drive. She added that Irvine Drive is ready to be offered to the county.

Home Basements Flooded by Rain

Not fire but water—and lots of it—has occupied the attention of the Orinda fire department the past few days.

Fortunately, the recent rains and winds did not result in serious damage, according to Fire Chief H. E. Wyatt, but it was enough to cause quite a bit of inconvenience.

Flooded basements of homes and shingles ripped off some roofs were on the storm's tally, the chief said.

In addition, a power line was downed on Hardin Drive and another was downed on Hall Drive. Chief Wyatt reported that the fire department stood by while Pacific Gas and Electric Company crews repaired the lines.

Get Bullet-Proof Vest! — Johnson

During discussion on annexation of Sherman Acres Units 1 and 2, at a recent meeting of the board of the Central Contra Costa Sanitary District, the question came up of how soon it might be necessary to enlarge the treatment plant.

Chairman Elliott Johnson stated that the rapid growth of the sanitary district had "advanced by several years the date when enlargement of the treatment plant will become necessary." Johnson and Col. H. M. Smitten were the minority in the 3 to 2 vote for the Sherman Acres annexation.

Turning to Director R. E. Wads worth, Johnson asked: "What happens if there isn't enough money in the new construction fund to finance the job when it becomes necessary?"

Wadsworth said he thought there would be enough money in the fund but if there wasn't we could hold another bond election if necessary.

"Mr. Wadsworth," replied Johnson, "if you are going to mention bonds to the people in Orinda you'd better get yourself a bullet-proof vest."

County to Check Drainage Problem On Hillcrest Rd.

County acceptance of Overhill and Hillcrest Roads in the Moraga Estates section of Orinda last week assures correction of any faulty drainage in the vicinity, according to the Board of Supervisors.

That was the gist of the reply directed by the board Nov. 13 to Harry E. Peet, Route 1, Box 198, Lafayette, who had complained about drainage on Hillcrest Drive, Orinda.

In a letter to the board, read that day, Peet said he was complaining on behalf of Lieut. Col. B. T. Kelly, U.S.M.C., of 52 Overhill Drive. Peet stated that improper drainage resulted in Lieut. Col. Kelly's property being flooded after each heavy rainfall.

In its reply the Board of Supervisors pointed out that Overhill and Hillcrest Roads had been accepted into the county road system that morning, and that, therefore, any faulty drainage would be corrected by the county.

County Surveyor Joseph Barkley, the board added, would inspect the premises and report back to the board.

Health Clinics Start at Schools

Its annual drive to have all school and pre-school children of the county protected against diphtheria, whooping cough, smallpox and tetanus was started early this month by the Contra Costa Health Department.

A series of school immunization clinics has been begun for children who cannot be sent to their family physician. Immunizations for diphtheria, whooping cough and tetanus and vaccinations for smallpox will be offered in elementary schools and some high schools.

Since three shots spaced at intervals of about a month are necessary to give protection, three clinics, a month apart, will be held in each location, County Health Officer H. L. Blum announced.

First clinics in Orinda-Lafayette area were held early this month, with follow-ups scheduled as follows:

November 29 and January 3, Canyon, 9 a.m.; Moraga, 10 a.m.; Glorieta, 11 a.m., and Orinda, 12 noon.

A special vaccination clinic will be held at Acalanes High School on January 2 from 9 a.m. to 2:30 p.m. Adults wishing to be re-vaccinated are invited to benefit by the program.

Dr. Blum announced that children of pre-school age must be accompanied by a parent or legal guardian who can sign a request slip. He warned that those who appear with other relatives will not receive immunizations.

If you love children — yours and your neighbors' — slow down when you drive home today.

Growling Something Like a Bear, Ol' Prof. Opple Predicts Some More

By COACH ERWIN MATTSON

The merry football season goes on its way, and the past weekend found a bit of "mud slinging" and not a few upsets.

Upsets, by the way, have become the rule rather than the exception. Nevertheless, ol' Prof. Soss Opple fears no results and keeps on predicting.

LOOKS LIKE ILLINOIS

Minnesota finally won, while Illinois looks like the Big Ten winner, although the way things are going Northwestern could upset the dope bucket this next weekend.

Washington University appears to be the Coast's second best and should finish one of its better seasons with a win over a fast improving Washington State.

Oregon State and Oregon in a battle to decide little except the championship of Oregon. Oregon State to win.

Idaho raps Arizona Tempe and U.C.L.A. puts one together but U.S.C. rises even higher for a win.

HE LIKES BEARS

California and Stanford in the Annual Big Game. Dry field and big game spirit could bring a classic before the eyes of a sellout stadium and no one knows how many television watchers.

Rain or shine, I like the Bears, who appear capable of giving the West a win come New Year's Day.

U.S.F. TO RISE?

U.S.F. gave Cal a scare in a battle of the sea last week and figures to defeat Detroit.

Loyola has too much of everything for Santa Clara, and C.O.P. wins in the home field against Bos-

Everyone Asked to Donate Clothing For Distribution by Catholic Church

Three million homeless Koreans and more than seven million expellees and refugees in Europe and the Near East face this winter with a pathetic lack of adequate clothing.

Charged with responsibility of taking care of as many of the needy homeless as possible, the Catholic Church in America, through War Relief Services — National Catholic Welfare Conference, is asking ALL Americans to contribute this

Thanksgiving Week as much usable clothing, blankets and shoes as possible to its emergency clothing collection.

In answer to an emergency appeal from the unified command in Korea for clothing and more clothing — and fast — as well as in response to urgent appeals for apparel from Germany, Austria, Italy, Palestine and Lebanon, more than 14,000 clothing collection centers in Catholic parishes through the U. S. will be staffed, day and evening, throughout Thanksgiving Week and will gratefully receive donations of needed articles. Contributions may be left at the Catholic Church in Orinda and Walnut Creek.

ART EXHIBIT

Second fall exhibition of the Mills College Art Gallery features works by three contemporary artists.

The current showing exhibits paintings and brush drawings by Margaret Wentworth Millard, gouaches and oils by Edward John Stevens and water colors by Ernest Haskell.

Fifty Attend 12-15 Club Party

The 12-15 Club held its second luncheon and card party of the fall season on a recent afternoon at the home of Mrs. Leo Alexander. Assisting the hostess were Mesdames Chailiss Gore, Harry Doten, Robert Frolich and John Lax.

The 50 ladies present not only enjoyed the luncheon and playing whist or canasta, but also contributed toward the philanthropic endeavors of the club.

Dons, Alhambra Again Ready — for Today!

The twice-postponed Acalanes Dons gridiron game was scheduled to get under way today on the rain-soaked Alhambra gridiron, with the kickoff set for 2:30 p.m.

The game was originally scheduled for October 27 but damp grounds caused postponement to last Monday.

CANCELED — RESCHEDULED

Heavy rains caused the powers that be to cancel the game out, only to have it rescheduled at the request of Alhambra.

A night game was considered inadvisable in view of the current weather situation and the fact that Acalanes has a Freshman Frolic.

HOME TEAM DECIDES

The policy has been for the home team to decide whether a game is off or on inasmuch as its turf is the one to bear the brunt of the game's wear and tear.

Fifteen Dons will be putting on the pads for the last time as far as Acalanes is concerned, since they will receive their sheepskins come June time.

SENIORS ON TEAM

The seniors representing the Blue and White are Alan Moresi, Bob Wikenbach, Jim King, Gary DeAngelis, Vern Osborne, Joie Pearson, Rod Raines, Bob Stewart, Bob Laws, Ken Green, Ed Broome, Jack Babcock, Cort Bacon, Harold Weber and Bob Wallis.

The game rates as a tossup on paper, and in view of the mud, which appears to be a great equalizer, the game probably will go to the one that gets the breaks due to fumbles resulting from a bound-to-be slippery pigskin.

CLOSE OF SEASON

The game will mark the close of the season for both elevens. In event that the elements should rise up in wrath so great that the contest is called off again, it will result in a cancellation for once and all.

The starting lineup for the Dons in the season's finale finds Harold Weber and John Daniels at ends, John Bowron and Bob Borghesani, tackles; "Buzz" Williams and Bob Stewart, guards; and Gary De An-

From the Sidelines

Mud Has Its Advantages for Football Games, Including Basis for Much Talk

By COACH ERWIN MATTSON

THE PAST WEEKEND has brought about much discussion relative to the testing of team strength when games are played in a sea of mud, such as was the case at Stanford and Cal last Saturday.

Anyone seeing the games could hardly determine what would happen if the same teams met on terra firma — and the firmer the better! Passing in such cases is a haphazard thing, and fumbles are the rule rather than the exception. Players all look alike in short order.

Equipment and players take a beating, and gate attendance is hurt.

MUD is a great equalizer, and a good high school team probably wouldn't be hurt too much in playing a college team under such conditions.

Play possibilities are greatly limited with cutting maneuvers out of question.

Blockers get little traction and consequently have difficulty opening holes. Runners go down easy for the same reason.

THE QUESTION is often asked: Why play under such conditions?

The answer in college games is that many people travel long distances making postponements impracticable.

One redeeming factor is that injuries are few. Major casualties consist of an ear, eye or mouth full of mud.

Hot showers, rub-downs, and warm clothing hold colds to a minimum.

LADY LUCK plays a prominent part in such games, and much depends on where a slippery ball lands.

One thing is certain, and that is that little is determined as to which is the best team.

However, the best team under adverse conditions is determined and

gelis at the center spot.

In the backfield it's Al Culp and Bob Wikenbach at the halves, Eddie Grueb at fullback and Ken Green directing from quarterback.

that in itself is something

Furthermore, such games provide endless discussion for fans and players.

U.S.F. feels it might have beaten Cal on a dry field, Stanford feels the same regarding Army.

Cal and Army, on the other hand, feel that the wins would have been by wider margins had the weather been more favorable.

CIVIL SERVICE

Applications are being accepted until further notice by the Board of U. S. Civil Service Examiners, Twelfth Naval District, Bldg. 178, Treasure Island, San Francisco, for civil service examinations to establish a list of eligible for the purpose of filling future vacancies as they occur for the position of Apprentice Fourth Class.

If you love children — yours and your neighbors' — slow down when you drive home today.

Patronize Hometown Merchants.

Acalanes J.V.'s Bow to Alhambra In 13-2 Contest

The Acalanes Junior Varsity closed its 1950 football season last Wednesday when they dropped a 13-2 decision to an Alhambra eleven on the local gridiron.

The first quarter was scoreless, with the Dons holding the upper hand, only to fumble whenever pay dirt loomed in sight.

60-YARD RUN

In the second quarter Reed of Alhambra broke off tackle, cut to the outside and raced 60 yards after brushing off two would-be tacklers, only to be hauled down from behind by Lynn Nebeker with a desperate shoe string tackle on the eight-yard line.

The Dons dug in and held for three downs. But a fourth down pass found its way to an end out in the wide open spaces for six points.

The conversion kick was good, and the score became 7-0.

BLUE AND WHITE SCORE

The Blue and White tallied their two points in the third period when the Alhambra safety caught a punt, ran behind his goal line and was trapped.

The Dons threatened on other occasions but bogged down, while the Alhambra lads cinched matters and put over another T.D. in the fourth and final quarter to make it 13-2 at the final gun.

Drive very carefully — the life you save may be your own.

**With holidays ahead
-be the perfect host**

As a perfect host, every homemaker wants to serve a delicious holiday dinner that's ready on time and cooked to perfection, without spending the entire day in the kitchen. With a modern automatic Gas range there's plenty of kitchen-free time to enjoy both family and guests — roasting or baking no longer requires constant watching or testing. Accurate oven heat control plus split-second time clock setting automatically maintains the exact temperature for the required cooking period. A modern automatic Gas range makes every day a holiday in cooking freedom.

Visit your nearest appliance dealer today and let him show you the many attractive features of these easy-to-own, easy-to-keep-clean modern automatic Gas ranges.

Only in the modern automatic Gas range can you get the smokeless broiler that cooks with the door closed, while the clean, blue Gas flame consumes smoke and vapors.

Brownies Transform Cigar Boxes

With a recent meeting of Brownie Scout Troop 74, Mrs. Fred Kronke and Mrs. Tony Conda, co-leaders, have had their girls covering cigar boxes with wallpaper. These will be used to hold their individual supplies.

A new system of "mother participation" has been innovated by this troop. The mother of each girl will provide a program of her own choosing for the girls — whether it be folk-dancing, a story telling hour, games, handicraft, sewing or a field trip.

She will be responsible for at least one program during the year.

Kids Hold Bouncing Birthday Parties

Bouncing again is Orinda birthday news concerning youngsters.

PETER BOYLE

Peter Boyle celebrated his fourth birthday November 11. His daddy showed cartoon movies, which were enjoyed by all the guests: Patty Wyatt, Bobby Wyatt, Jane Seaman, Gordon Seaman, Kitty Wilbur, Micky Wilbur, Butch McMacken, Susie Walker, Carol Ann Walker, Johnny Walker, Robert Boyle and Margaret Mary Boyle.

JULIA HENDERSON

Julia Henderson was four years old November 13 and had the following guests to help her celebrate: Jane Seaman, Janet Jones, Carol Ann Walker, Micky Brown, Martha O'Neill, Cynthia Rundle, Peter Kimble, Hugh Kimble, Bobby Clifford, Walter Dodson, Bill Heidel, John Watkins and John Gibbins.

PATRICK DEWING

Patrick Dewing was four years old November 11 and had the following friends to help him enjoy the occasion: Linda Murphy, Scott Anderson, Lonny Anderson, Lyn Harscha, Connie Harscha, Richard Meurke, Sarah Hamlin, Leslie Sellers, Bruce Silver and Tommy Sil-

ver.

LINDA BARGONES

Linda Bargones celebrated her seventh birthday November 10. Her guests were Marian Oakley, Marian Collett, Susan Gloy, Helen Moylan, Cheire Sharp, Linda Van Sickle, Mary Moorehead, Holly Borden, Diane Christy, Stevie Miller, Bobby Rochester, Kit von Guenther, Kim Smith and Laurie Smith.

BOBBY NICHEMANN

Bobby Nichekmann had a Hop-along Cassidy party to celebrate his seventh birthday. His home was decorated like a dude ranch and the guests came in cowboy clothes and really whooped it up. Bobby's guests were Don Phillips, Don Granberg, Kim Smith, Kit von Gunther, Jimmy Gibbs, Ted Brock, Lorry Chapple, Charlie Ward, Dick Miles, Dannie Dye and Arlene Nichekmann.

Theodore Bradley Gives Lecture

Theodore F. Bradley of Orinda gave the 1950 Joseph J. Mattiello lecture before the Federation of Paint and Varnish Production Clubs in Chicago November 10. His subject was "Some New Developments in Drying Oil and Varnish Technology."

Bradley is a department head of Shell Development Company, Emeryville, and directs their research in the field of surface coatings and plastics. He is nationally known for his work with paints, varnishes and allied materials and has been voted by scientists as one of the 10 leading authorities in the United States in this field.

Penfield Family Moves from Orinda

Mr. and Mrs. George Penfield, their daughter, Mrs. Paula Collings, and the latter's daughter, Karen, have moved from Orinda to 20 Roanoke Avenue in the Uplands, to be there until their new home is built in Lower Happy Valley, a short distance behind the Potter's Wheel.

Bobbie Edson, 16, Dies in Nevada City

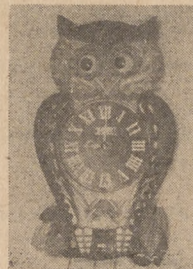

Old friends of the former Orinda residents, the P. C. Edsons, will be saddened to learn of the death of their 16-year-old son, Bobbie Edson, on November 8 in Nevada City.

Smart travelers

prefer the 'City' to Chicago!

Famous S. P. Dining Car Cuisine

Pullman Rooms are luxurious

Extra fine! Extra fast! Extra fare! That's Southern Pacific's streamliner *City of San Francisco*—choice of discriminating travelers to Chicago and the East. The "City" is the fastest thing on wheels to Chicago—nearly half a day faster than any train on any other route. Only two nights and one day en route.

On the "City" you have a complete choice of Pullman accommodations: Sections, Roomettes, Single Bedrooms, Double Bedrooms, Compartments and Drawing Rooms. Congenial lounge car. Fine food and service await you in the "City's" dining car. This famous train also carries low-fare reclining chair cars.

Make your reservations now for your next trip east on the *City of San Francisco*—first choice of travelers who insist on the best.

S.P.

The friendly
Southern Pacific

Telephone service is still a bargain...for since 1940, rates have gone up much less than the cost of living.

GOOD FRIEND OF THE FAMILY BUDGET

The telephone actually takes less of it than in 1940

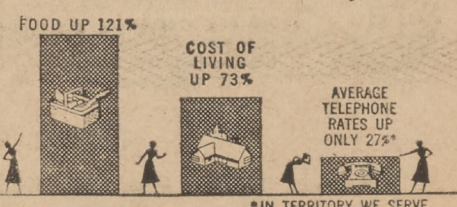

1. Seems like the prices of most things you buy have about doubled, in the last ten years. Among the stand-out exceptions is your telephone service. There have been rate increases, of course, to help meet increased costs of furnishing service...higher wages, higher prices for materials, higher costs generally. But telephone rates have gone up far less than most other things. And that's only part of the story.

3. Today you can call more of the people you want to call...many more people can call you. And the calls you get are often more important than the calls you make. Yet average telephone rates have gone up less than half as much as the cost of living generally. They're up much less than our costs of providing service. It all comes down to this: Today telephone service can be purchased for fewer hours of work than in 1940. Your telephone is a mighty good friend of the family budget.

2. Telephone installers are making your service a better all-around bargain, too. When you buy a pound of something, you still get sixteen ounces...although the price may have doubled. Twelve items still make a dozen. But not so with telephone service. Your telephone dollars buy, on the average, twice as many available connections as ten years ago...for we've more than doubled the system in that time.

Price increases since 1940

*IN TERRITORY WE SERVE

Pacific Telephone

Your telephone is one of
today's best bargains

Each Bite of Cookie Aids Girl Scouts

"Will you buy a box of Girl Scout cookies, please? They're awfully good."

"They're assorted chocolate and vanilla cream sandwiches with our Girl Scout Tree-Foil emblem stamped on each cookie."

"The price is 40 cents and they come in these attractive green boxes with our Girl Scout laws printed on the wrapping — so you can see what we girls are trying to live by. Langendorf Bakeries baked and packaged them for us."

FOR 1950 BUDGET

Well, you may have heard any of a dozen versions of those words in the two weeks in which the Girl Scout cookie drive has been in progress. The drive was necessitated by the fact that the 1950 budget was so short of its quota that funds are needed to cover operational expenses for the balance of the year.

This drive is not to be confused with the recent annual Boy Scout-Girl Scout drive, which was to raise funds for the 1951 budgets.

PRIZES FOR GIRLS

One reason the girls are entering on this selling job with such enthusiasm is because some mighty interesting prizes are being offered! First prize — a full campership (non-transferable) to the one girl in the entire Diablo Area (composer of seven districts) selling the greatest number of boxes.

Second — a half campership — with the same provisions as first prize.

Third — a partial campership to a girl in each of the seven districts.

Fourth — a full day campership and one year's subscription to American Girl Magazine to a girl

in each of the seven districts.

Fifth — a troop flag to the troop in each of the seven district selling the greatest number of boxes.

Sixth — a World Pin or Head Band given to any girl in the seven districts selling over 25 boxes.

The Girl Scout cookie drive in Lafayette is headed by Mrs. Thomas B. Nock. In Orinda it is headed by Mrs. Chris Olsen. They ask you:

"Please buy a box today — the deadline isn't far away." It's December 1, to be exact.

Board Grants 3 Land Use Permits

Three Orinda applications for land use permits were granted last week by the Board of Supervisors, following favorable recommendation by the Planning Commission.

They were to:

George Sieler for a lot slightly less than a half-acre in area on the south portion of Lot 65, Moraga Del Rey No. 1, fronting 110 feet on the west side of Don Gabriel Way, adjacent to Lot 66 (an R-A district).

R. F. Kendall for a 20-foot setback, Lot 9, Sleepy Hollow Unit 2, fronting on Van Ripper Lane (an R-A district).

Keith Howard, to build on a lot approximately one-third of an acre (125 by 122 feet), parcel 2, Lot 57, Moraga Glorietta Tract, on Irvine (an R-A district).

Brownie Troop Divided in Two

Third Grade Brownie Scout Troop 32 grew to such proportions that it was necessary to divide it into two groups.

Mrs. R. P. Rasmussen is leader of one group, and Mrs. Fred Twinning and Mrs. Drexel Gibbins are co-leaders of the other. With both sections having the same weekly program, a joint meeting is held once a month.

The girls are filled with enthusiasm over the hand puppets which they have been making. These have embroidered faces with button eyes — whereby each girl is taught the fundamentals of embroidering and the necessary evil of properly sewing on buttons!

Cantrills Will Give Barbecue

Mr. and Mrs. C. E. Cantrill of Irving Lane are entertaining at a barbecue luncheon before the Big Game in honor of their house guests, Mr. and Mrs. James Judy from Rolling Hills, Calif.

Mrs. Judy is a Stanford classmate of Gen Cantrill, class of 1942. The Hawthorne Branch, Children's Hospital, met recently at the Cantrill home, to complete plans for their fall rummage sale.

In our neighborhoods, please drive carefully. How fast can you stop if a child runs into the street in front of your car?

Pandora Chapter Discusses Plans

The Pandora Chapter of Children's Home Society held a board meeting last week at the home of Mrs. Garland Heinrici on Los Dedos.

Officers present were Mesdames Fred Repp, Clarence Betz, T. E. Haley, Fred Crawshaw and Hazel Frolich. Plans were discussed for future activities of the chapter.

Witters Entertain at Cocktail Gathering

Mr. and Mrs. William Witter of Lombardy Lane entertained for cocktails before a recent square dance. Among the guests invited were Messrs. and Mesdames Nels Hamburg, Robert Boyle, Robert Walker, Joseph Downs, Berton Kohler, Robert Dashiell, Murray Studley, Zach Montgomery and Dr. and Mrs. James Seaman.

No Need To Be Expert to Produce Good Roses—This Is Time for Your Planting

By BERT WRIGHT

THE QUESTION of whether to plant roses in the fall or spring will produce an argument whenever rose growers get together.

The answer depends upon several factors. Both fall and spring plantings have their advantages.

HOWEVER, year in and year out, fall planting gives the best results in the moderately cold sections—that is, in all of the U.S. except the extreme north and the lower south.

ADVANTAGES of fall planting are:

(1) Soil conditions are usually better for planting.

(2) The gardener is not so rushed by other duties.

(3) Plants are usually not out of the ground long before they are delivered.

(4) Nurseries have a full stock of popular varieties.

(5) Fall planting gives the plant a chance to grow into gradual adjustment. Since roots are never entirely dormant, when the soil temperature gets a few degrees above freezing plants will make some growth.

WHETHER you want to plant a new rose garden, increase your

plantings or change the size and shape of your rose garden, the first thing to do is to decide what you want in color, size and type.

This means a session with your rose catalogs and references books. Later contact your nurseryman and arrange to secure the plants you need.

DON'T MAKE the common mistake of planting roses too close together. Plenty of space for each plant is needed for several reasons:

(1) More blooms per plant are produced and flowers are usually of better quality.

(2) With plenty of space, there is opportunity to work around the bushes easily.

(3) Better light and air conditions prevail and disease control is easier.

Hybrid Teas, Polyanthus and Floribundas should be planted about 2 to 2½ feet apart.

REGARDLESS of where you purchase plants, insist upon good stock. Most gardeners prefer two-year-old No. 1 grade field grown roses. A No. 1 Hybrid Tea rose plant must have three or more 18-inch canes. Plants that have been cut back by the nurseryman should have three or more 9 to 12 inch canes that are at least ¼ to ½ inch in diameter at the top.

Potted plants are preferred by many gardeners, because they can be planted anytime. The wide use of the fiber pot has made potted roses practical.

ROSES should be planted in a sunny location and in a soil that is fertile and well drained. Broken and bruised roots should be removed and the top growth cut back to six or eight inches. Grafted plants should be set so the graft is one to two inches below the soil surface.

Dig the planting hole about six or eight inches deeper than needed for the plant and large enough to accommodate the roots without crowding or bending. If the soil has a tendency to be soggy during wet weather, place some rocks and gravel in the bottom of the hole to facilitate drainage.

Mix one rounded tablespoonful of complete plant food with the soil that goes under the rose plant. Cover this mixture with loose soil and mound in middle of the planting hole.

SET THE ROSE plant over the mound, spread roots, fill in some soil and firm.

Firm two or three times before the hole is completely filled. Pull soil up around the plant, making a mound some three or four inches high.

In the central section, newly planted roses should be mulched the first winter. Mulching materials should not be applied until the

William Wood Wins Stanford Degree

George William Wood was one of the 509 Stanford students who completed their studies during summer quarter and have been awarded graduate and undergraduate degrees, President Wallace Sterling announced.

Wood won his bachelor of arts degree in the school of education.

Of the total to receive their honors, 372 students won graduate degrees and 137 won their undergraduate diplomas. School of education students made up the largest single group receiving degrees. Two hundred and two master of arts degrees and 24 doctorates in education were awarded by the school.

Greenlaws Prepare For Hawaiian Trip

Dr. and Mrs. Wallace Greenlaw of Snowberry Lane are preparing to sail on the Lurline for Hawaii to enjoy the holidays at the Royal Hawaiian Hotel. After their six week vacation they will enplane for home.

Starkmans Have Thanksgiving Guests

Professor and Mrs. Ernest Starkman of Irving Lane are having Mr. and Mrs. David Cohee of Van Nuys as their Thanksgiving house guests. Professor Starkman is now teaching mechanical engineering at the California campus.

Success—I Buck Each

Nat Dodge and Ritchie Smith have come back from a successful hunting trip in Nevada—result, one buck each.

Mathys Sell Home

Mr. and Mrs. Ernest Mathy recently sold their Camino Don Miguel home to Mr. and Mrs. Perc Brown from New York.

Press Executive At Blalock Home

A group of guests was invited to the Andrew Blalock home last week to meet Eddie Gilmore, head of the Associated Press bureau in Moscow, Russia, and General Russel Randall, Kentfield, Marin County.

The press bureau executive is staying in the area temporarily while negotiating his return visa to Russia. The 1947 Pulitzer Prize winner for his writings, Gilmore is also known for his contributions to the National Geographic magazine.

He had returned to this country to visit his mother, who lives in Selma, Alabama, were both he and Andy Blalock lived and attended school together as boys.

Guests at the 5 to 7 party last Wednesday were Mr. and Mrs. Clarence Betz, Mr. and Mrs. Frank Wright, Mr. and Mrs. Al Reck, Mr. and Mrs. Wendel Stackman, General Randall and several of his friends, and Gilmore.

ground is frozen.

IT DOESN'T take an expert to grow good roses.

If you follow these planting directions, start monthly feedings of complete plant food early in the spring and protect your plants from insects and diseases by regular use of an all-purpose insecticide-fungicide, you will find yourself well on the way to being a successful rose grower.

Here and There in Orinda

Orindans Exhibit Terriers at Match

Dr. and Mrs. C. W. Brown and Arthur and Michael Andersen were among those who exhibited Kerry Blue Terriers at the second sanction match of the Kerry Blue Terrier Club of Northern California Sunday morning at the Lake Merritt Club in Oakland.

The first Kerry Blue Terrier was brought to the United States in 1920, according to Mrs. Alicia Douglas, secretary of the sanction match. The breed originated in County Kerry, Ireland, and has been pure bred for over a century. The breed are excellent hunting dogs.

Nearly 30 terriers competed in the match, with trophies awarded for first, second, third and fourth place winners and prizes for winners in 20 classes.

Seafarers to Meet

The Seafarers will have their November "cruise" to the Mrs. Frank Teiche "port," 211 Orinda Highway, Friday evening. Mr. and Mrs. E. A. Dawson will assist the hostess.

Bill Worden Flies To Mexico City

Bill Worden of Worden's Travel Agency started for Mexico City by American Air Lines last Thursday night, expecting to be gone for three or four days.

He made the business trip to make more comprehensive arrangements with Mexico's tourist operators to care for the increased traffic of travelers from this area.

Groves Family Visits Friends in Santa Cruz

Dr. Murray Groves and family spent last weekend with their old friends, Dr. and Mrs. Brooks P. Stevens, in their Santa Cruz mountain home. This large home with its gardens, orchard, vineyard, berries and vegetables and swimming pool is the culmination of their "dream home" planning. Dr. Stevens and family were former Oakland residents.

Mrs. Hickok Visiting Brother in Portland

Mrs. George Hickok is spending the Thanksgiving holidays with her brother, William R. Dinham, and his wife in their Portland home.

Seal Sale Drive Gets Under Way

Mrs. C. R. Alexander of Richmond was named chairman of the 1950 Christmas Seal Sale for Contra Costa County by James D. Ryan, president of the Contra Costa Public Health Association, which is conducting the Seal Sale in the county.

The drive opened Monday and will continue to December 25.

The Seal Sale in Contra Costa County is part of the 44th annual Christmas Seal Sale being conducted throughout the country by the 3,000 tuberculosis associations affiliated with the National Tuberculosis Association. The Seal Sale is the sole annual appeal of the voluntary association for funds to conduct its year round programs of tuberculosis control, prevention, health education and medical research.

Serving with Mrs. Alexander on the county-wide committee are Neil C. Cornwall, Lafayette, and E. J. Phair, Orinda.

Diamond K
Sez . . .

With Christmas approaching, let's talk first about your Xmas shopping lists and how to utilize it at Diamond K.

If you've listened to father fight with his undersized lawn mower on your oversized lawn, how about a beautiful new power mower to brighten his Christmas this year and his summers for years to come

How about Mother? Why not step in and pick up an assortment of hand garden tools to lighten her load around the garden or lathe house. We have the largest and most complete line of home and garden tools in the valley.

SPEAKING of the holiday season, don't forget to order your firewood as soon as possible to enable you to further your enjoyment of those happy holiday evenings around the fireplace.

The long Thanksgiving week-end coming up will provide many of you with a golden opportunity to catch up on those last minute jobs before the holiday season. Of course, Diamond K stands ready to help you with these problems in every way possible.

That's all for this week.

Orinda Postoffice Moves to New Quarters

After five months of construction, Orinda's new postoffice, at 231 Brookwood Road, behind the American Trust building, is in operation this week.

Moving day was last Saturday. The shift from the old quarters at 17 Moraga Highway was accomplished without a single hitch in postal service, according to Mrs. Laura Mallary, postmaster.

MAIL GOES THROUGH

This smooth functioning, in the traditional spirit that the mail must go through, will continue, Mrs. Mallary emphasized, even though it may take several months until the new, enlarged quarters are thoroughly ship-shape.

On moving day, while mail, supplies and equipment were being transferred, one clerk was on duty at the old postoffice while another was on duty at the new postoffice.

Thus the public was served without interruption, and every letter, postcard and parcel post package went through.

When people whose postoffice box had been removed arrived at the old quarters they were informed that the box was on its way to the new spot and that if they followed the van they'd receive their mail in several minutes.

ALMOST TRIPLE SPACE

The handsome modern structure, with its front of glass and Arizona stone-veneer, has almost three times the floor space of the former quarters—about 2,600 square feet as against 875 square feet.

Still to be installed are portions of the partition between the workroom and the lobby. Pending arrival of these sections makeshift arrangements have been made, the postmaster explained. These include

temporary partition sections. During the course of construction unexpected delays occurred.

STAFF IS HAPPY

"Despite these inconveniences the entire staff is thrilled to have moved out of the former cramped quarters into one of the finest post-offices in California," Mrs. Mallary said.

"The community is indeed indebted to Don Rheem for supplying space to Don Rheem for supplying space office quarters."

Rheem, owner of the building, has leased the postoffice quarters to the government for a five-year period. These quarters are one of the three spaces in the 75-foot-frontage building, and is the one farthest from the bank. A McKenzie Cantin is the architect who drew the plans for the building.

Orinda Christian Science Church To Hold Special Thanksgiving Rites

Responding to the proclamations of the president of the United States and state governors, the Orinda Christian Science Church will hold a special service this Thanksgiving Day.

Ever grateful for the health and regeneration received through enlarged spiritual understanding, Christian Scientists enthusiastically take this opportunity annually to express their thanks to God for His infinite goodness.

A special Lesson-Sermon for this year's Thanksgiving Day service, comprised of citations from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be read by the First and Second readers.

Toward the close of the service there will be opportunity for Chris-

tian Scientists to give testimonies appropriate for the occasion, carrying out the spirit of the following citations in the Lesson-Sermon.

The Bible: "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it" (Malachi 3:10).

Science and Health: "To those leaning on the sustaining infinite, to-day is big with blessings" (Pref. vii).

The Christian Science Society in Orinda is located at 42 Orinda Highway. The service will be held Thursday morning at 11 o'clock, and the public is cordially invited to attend.

Debra and Ghosts Give Gay Party

Debra Smith gave a Halloween party this year and hopes to make it a yearly event.

In the past years she has always given a Santa Claus party but feels that she is getting a little too big for that and so will let her sister Patsy take over there while she will concentrate on Halloween.

The party was held Monday afternoon, October 30. Fifteen youngsters, all in costume, played traditional Halloween games such as bobbing for apples, apples on strings.

Those joining in the fun were Ward York, Peter Telfer, Sally Stewart, Freddy Lamb, Clay Sorrick, Lelita Boysen, Patsy Murphy, Jeff Schwarck, Charlie Sharp, Jean Patton, Susan Kisser, Tommy Kisser, Mary Foster and Patsy Smith.

The next day Debra entertained her third grade Brownie troop at a Halloween party. Those in the group were Sylvia Bolman, Nancy Richards, Katy Baker, Judy Murphy, Carolyn Schuler, Luzanne Lang, Joan Robinson, Kathy Shurtleff, Francis Pyle, Joanna Buxton, Marcia Nicolet and Nancy Grah.

CHRISTIAN SCIENCE CHURCH

For this year's Thanksgiving Day service to be held in all Christian Science churches in the United States, the Golden Text of the Lesson-Sermon will be taken from Psalms: "Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men! And let them sacrifice the sacrifices of thanksgiving, and declare his works with rejoicing" (107:21, 22).

Included among the citations comprising the sermon will be the following:

The Bible: "And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they? And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb" (Revelation 7:13, 14).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christian Science awakens the sinner, reclaims the infidel, and raises from the couch of pain the helpless invalid. It speaks to the dumb the words of Truth, and they answer with rejoicing" (p. 342).

2 Women Hurt in Auto Accidents During Rainfall

Heavy rainfall and slippery roads formed the setting for two recent accidents in the Orinda area, in which two women were injured.

Driving south along Orinda Highway at 2:30 a.m. Sunday, Mrs. Ruby P. Kubus of Walnut Creek was apparently blinded by glaring lights some 200 feet south of Miner Road, according to the California Highway Patrol. The car ran up a bank alongside the road.

Mrs. Kubus was injured, but her injuries were not believed serious. She was taken by her husband, who had been with her, to their physician.

In the other accident, Mrs. Helen Quinley of Oakdale was injured when the car driven by her husband, Clarence W. Quinley, skidded on the wet pavement about a half-mile east of the Broadway Tunnel, left the road and hit a roadbank. This accident occurred at 4:15 p.m. last Friday.

Mrs. Quinley was taken to Permanente Hospital.

Church Series Will End Sunday

Concluding a November Sunday evening preaching mission, the congregation of Orinda Community Church will gather Sunday evening at 8 o'clock under the joint leadership of Rev. Fred Morrow, the minister, and Rev. Godfrey Matthews, guest preacher for the mission.

The Rev. Mr. Matthews will speak on "The Feet of Christ." The organist will be Louis R. Flint of San Francisco, and as a special musical feature the mission will present Lois Flenner, concert violinist.

Each service has seen an increase in attendance and interest, according to Senior Deacon K. S. Hauser, heading the board responsible for the series. All are invited.

\$250 Raised At Food Sale

Close to \$250 was raised at last Saturday's successful food sale by the ladies of the Santa Maria Altar Society at Orinda Hardware store, Mrs. Robert Boyle, committee chairman, reported.

Proceeds augment the church building fund. The group expressed thanks to Frank Olsen, owner of the store, for his cooperation and "to the many friends who braved the storm and bought an array of fancy foods in record time."

Those Old Toys Can Mean New Joy

Orinda Lions are urging that any repairable toys with which your youngsters no longer play be left at Black's, Bradley's or Orinda Store for collection, for repair and distribution to needy children this Christmas.

In this way, boys and girls less fortunate than yours may also have some of the joy of receiving gifts "all their own" this Christmas.

Millers to Entertain Following Big Game

Among the many localities who plan entertaining for Big Game day are Mr. and Mrs. G. Willard Miller, who have asked a number of their friends to stop in after the game.

Triple-Show by Scouts Friday

Orinda Boy Scout Troops 200 and 207 and Explorer Post 300 will present a triple-threat to the rest of the entertainment world with their joint fund-raising show at Orinda Grammar School Friday at 8 p.m.

The entertainment program will include a skit based on summer camping, presented by Explorer Post 300; a skit depicting "Early Orinda" and instrumental music by Troop 207 and quartet singing and a magic act as Troop 200's share of the show.

Added inducement to attending this outstanding entertainment is the plan to award audience member winners prizes donated for the occasion by merchants of Orinda and Lafayette.

The grand prize, arranged for by Worden's Travel Agency, is a four-day stay for a couple at the Desert Retreat Hotel at Palm Springs.

Proceeds of the program will be utilized for improvements to the Scout Hut on Orinda Park Pool property, which is used by all three groups. Individual programs given in the past by each of the three groups have been the usual procedure, with Friday night's gala entertainment the first coordinated effort of the local troops in adding to their treasury.

Rotarians Set Kids' Xmas Party

A colored sound film, "Fishing in Alaska," was shown before Orinda Rotarians at their luncheon meeting last week. The movie was supplied by the Nash Motor Company, with Jack Cooper of Cooper Nash in Oakland handling the projector.

The second annual Rotary Club Christmas Party for the children of Orinda was set for December 16. The affair will be held at Orinda Theater at 10:30 that morning, with Ben Randall and Bob Nordquist in charge of the arrangements.

Plans for the community children's party include a visit by Santa, presentation of gifts and toys, a full-length film, "Young Tom Edison," in which Mickey Rooney stars, and the ever-popular cartoons. The complete program is free to all children, according to Wayne Seroy, publicity chairman.

Member Keene Pettengill welcomed new member George Eberhard, who was given his pin by President Frank Olsen.

Charles Best of Berkeley headed the program at last week's meeting, with a talk on "What's in a Name."

It was reported that Vic Richt was convalescing at his home following the recent serious siege which required his return to the hospital. It was suggested that fellow Rotarians volunteer blood to replace that used for transfusions given to Richt during his illness.

New Rooms Used But Job Still On At Orinda School

Although the three new rooms at Orinda Grammar School have been in use for four weeks, the work on the addition has not been completed, it was reported by Schools Superintendent Joseph L. Sheaff this week.

"Because of that the job has not yet been officially accepted," Sheaff said.

GRADING

The toilet rooms, storerooms and furnace room have just been painted on the inside, Sheaff said. Grading work outside the new rooms is in progress, as it is outside the additions to Glorietta School, but this has been hampered by the rain.

Another detail to be completed is the erection of a rock wall and wire fence outside the new units, similar to the wall and fence outside the older portion of the Orinda School.

THREE CLASSES

The three new rooms are being used by two second grade classes and one first grade class.

Contractor is David Zuckerman of Walnut Creek, who also handled the job at Glorietta School.

Bridge Sections To Meet Friday

Orinda Mothers Club bridge sections for Friday will meet at the home of Mrs. William Witter, 188 Lombardy Lane, for the morning session, and the afternoon section at the home of Mrs. William Court-right, 15 La Madronal.

The morning section met last Friday at the home of Mrs. Ida Zanolch, 420 Moraga Highway. Attending were Mesdames Howard Lane, William Witter, Robert Bigler, Joseph Downs, Donald Krotz, George Fink, A. D. Henry, Charles Zimmerman, William Huston, Berton Kohler, Gordon Pray, Robert Lyman, Dan Peacock, William Court-right, Alan Waddell, John Wassen, Albert Norman, Ralph Stocker, Fred Theile, Thomas Moore, Joseph Sheaff, B. Wendelbow and W. Laiten.

The afternoon section met the same day at the home of Mrs. E. L. Bargones, 208 Camino Sobrante. Present were Mesdames Donald Krotz, Owen Jones, Victor Richt, A. C. Barudi, Tom Nichols, James Buxton, Robert Muse, L. Edbrooke, George C. Davis, Charles Wilson, Leonard Roth, K. C. Beeman, P. Brown, Arthur Anderson and B. Wendelbow.

Dr. Schilling Gives 1st Sermon Here

Dr. Frederick A. Schilling preached his first sermon to the Orinda Episcopal congregation Sunday morning at the Scout Hut on Orinda Park Pool property.

At the coffee hour which followed services members of the congregation stayed to become acquainted with Dr. Schilling and his wife.

After coffee was served, six men appointed by the Rt. Rev. Karl Block met in a bishop's committee session. Members of this group will work with the Bishop and Dr. Schilling to help organize and serve the Episcopal Church in the community.

Committee members are William Sparling, senior warden; Clinton Easterbrook, treasurer; Walter Christie, Dr. A. P. Wold, Dr. Paul Slattery and James Brown.

Three members of this group will

Joint Thanksgiving Service Tomorrow

Orinda families and their guests will gather for community observance of the Thanksgiving holiday at the Orinda Community Church tomorrow morning at 10 o'clock, with the Rev. John Geene as the speaker.

Both adult and junior choirs of the host church will participate in the music under the direction of Margaret Popovich, with Virginia Baker at the organ. This special service is the first of what, it is hoped, will be many occasions of cordial cooperation between the Community Church and the newly established Episcopal Mission in Orinda.
